

# NOC WALL

DESIGN BY SMITHMATTHIAS

Noc Wall is an adaptable die-cast aluminium wall light with a faceted shade and a smooth powder coat finish. The rotating mechanism provides two points of adjustment and the main light is fixed into the wall-mounted bracket allowing the cable to hang freely from the light to be plugged into a wall socket. Noc Wall is a versatile light for every day use in both domestic and commercial settings. It is supplied with a bulb and a two-metre cable with inline rocker switch. Noc Wall is also available as Noc Wall Button, featuring a toggle switch on the wall base. Noc Wall is available in dark grey and off white.

## PRODUCT DETAILS

- / Part of a progressive and technologically advanced lighting collection.
- / CE approved.
- / A flexible, engineered clip light with character.
- / Supplied with a replaceable standard E14 LED bulb with an estimated life span of 25.000 hours of use.
- / Available in two variants; with touch sensitive button and integrated cable or with external cable and in line rocker switch.
- / Suitable for both private and office environments.
- / Qualified for contract use.
- / For indoor use only.
