

# TAMOTO BED

Design by Shane Schneck

## Tamoto Bed

Designed in collaboration with HAY, Shane Schneck's Tamoto is a multifunctional bed designed to fulfil the needs of a modern lifestyle. Inspired by the distinctive draping of Japanese kimono sleeves, Tamoto comprises innovatively folded fabric and a steel tubing frame. Functional, flat-packed and easy to assemble, Tamoto's contemporary and comfortable bed-sofa design can be used for sleeping, reading, working or watching TV in most bedroom sizes - from compact studio flats to spacious bedrooms.

## Tamoto Bed Design by Shane Schneck

Shane Schneck is an American designer based in Sweden, where he founded his Office for Design studio in Stockholm in 2010. International in his attitude and outlook, he previously lived and worked in Milan with the Piero Lissoni studio. His work has received international recognition, winning Red Dot, iF and Wallpaper design awards. His design ethos is to create simple yet innovative products that challenge industry standards.

Shane Schneck

Shane's products often contain an element of surprise, or are somehow playful or bold in their conception. For HAY, Schneck has designed Cap, Rhom Trivet, Lup, Analog, Field, Porter, Bowler, Butler, Bernard and Tamoto Bed.

Tamoto is a multifunctional bed designed to fulfil the needs of a modern lifestyle.

Tamoto is influenced by the draping quality of kimono sleeves.

Functional, flat-packed and easy to assemble.

# TAMOTO BED

PRODUCT FACT SHEET

## TAMOTO BED

DESIGN BY SHANE SCHNEK, 2022

Developed for HAY by Shane Schneck, Tamoto Bed is designed with multifunctionality in mind, which makes it easy and intuitive to integrate into a modern lifestyle. Tamoto is influenced by the draping quality of kimono sleeves, which inspired Shane's innovative use of folding fabric over the bed's frame.

The soft, draped headboard is counterbalanced by the generously dimensioned steel tubing frame, creating a contemporary and comfortable bed-sofa hybrid that is not intended exclusively for sleeping, but also as a foundation for reading, working, or watching TV and other activities. With a flat-packed, easy-to-assemble design, removable headboard cover and recyclable materials, functionality has been factored in every step of the design process. Available in a variety of sizes and selected soft textiles, Tamoto is a versatile bed that fits most size bedroom and design styles. HAY recommends using Standard Bed Slats and Standard Mattresses with Tamoto Bed for the optimal complete solution.

### HIGHLIGHTS

- Versatile and multifunctional bed that fits most size bedroom and design styles
- Functional, flat-packed, and easy to assemble.
- Available in a variety of sizes and selected soft textiles.
- Removable headboard cover
- HAY recommends using Standard Bed Slats and Standard Mattresses with Tamoto Bed for the optimal complete solution.
- Suitable for a wide variety of private and public environments.

## **SUSTAINABILITY**

HAY focuses on developing long-lasting products that minimise our environmental impact. We optimise the use of sustainable materials such as recycled materials, FSC-certified wood and water-based lacquer, with a growing number of eco-certified products. We have strict regulatory requirements, and the majority of our products are tested to comply with international standards for strength, durability and safety.

## **TESTS**

EN 1725: 1998

Domestic furniture - Beds and mattresses - Safety requirements and test methods.

## **WARRANTY**

HAY provides a 5-year product warranty.

Please contact the HAY sales team for further information about the warranty terms and conditions.

## **CARE & MAINTENANCE**

Our Care & Maintenance offers guidance for optimal maintenance of your HAY product. It includes advice and instructions on cleaning and caring for specific materials to prolong the life of your furniture. Find the guide at [hay.com](http://hay.com).

# STANDARD MATTRESS

PRODUCT FACT SHEET

**HAY**

## STANDARD MATTRESS

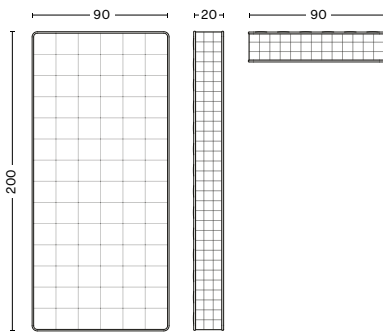

DESIGN BY HAY, 2022

The Standard Mattress is a series of comfortable and durable polyurethane foam mattresses designed for use with HAY beds. The mattresses are available in different firmness options, depending on the user's preference, with the core either made with strong support foam or soft support foam, while both variants featuring a layer of memory foam quilting on the top. All the mattresses are OEKO-TEX® certified and are available in different sizes to fit the various bed models.

### HIGHLIGHTS

- A comfortable and durable polyurethane foam mattress.
- The mattress has a memory foam top.
- Available in different sizes and firmness options - Medium and Firm.
- Certified with STANDARD 100 by OEKO-TEX®.
- Vacuum roll-packed for easy handling and transport.
- Fits the various HAY beds in combination with HAY Standard Bed Slats.
- Suitable for a wide variety of private and public environment.

### COUNTRY OF ORIGIN

Italy

## MATERIALS

MATTRESS LINING  
100% polyester.

### INNER MATTRESS

Polyurethane foam with 19 mm Memory foam on top and a medium or firm foam bottom layer.

## COMPOSITION

### FIRM MATTRESS

- 1 | Memory padding 1,9 cm.
- 2 | Hypoallergenic and breathable fiber padding.
- 3 | Protective layer.
- 4 | Polyurethane foam with firm foam bottom layer 16 cm

### HIGHLIGHTS

- Memory padding is quilted to the fabric and gives extra comfort to the back.
- Polyurethane foam with firm bottom layer gives a strong support for the whole body, but does not generate compression.

### MEDIUM MATTRESS

- 1 | Memory padding 1,9 cm.
- 2 | Hypoallergenic and breathable fiber padding.
- 3 | Protective layer.
- 4 | Polyurethane foam with medium foam bottom layer 16 cm

### HIGHLIGHTS

- Memory padding is quilted to the fabric and gives extra comfort to the back.
- Polyurethane foam with medium bottom layer support the spine and offers the correct position, firmly but gently.
