Technical features

Legs

Demountable Arp side table legs are made out of solid wood - oak.

Plate

The table plate is fully made out of linoleum (natural, warm to the touch, smooth, antibacterial surface material) glued on beech plywood and available in four different colors.

Finish

Wooden parts are available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Cleaning

Please see Product or Material page on our website.

Notes to consider

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.
