### Technical features

---

#### Body

The superlight, demountable Fina bed body structure is made out of solid wood - oak. The most noticeable feature of the bed is a thin frame which can be assembled in a few minutes.

#### Headboard

Soft upholstery covers the front side of the headboard, while the backside reveals its oak veneered (rift cut) structure. The headboard is available in two upholstery materials: leather and fabric. For further information please see Available materials and colors page in this document.

#### Legs

Bed and headboard legs are made out of powder coated-steel (fine structure) and are available in mushroom matte or black matte color.

#### Finish

Solid wood finish is available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

#### Cleaning

Please see Product or Material page on our website.

### Notes to consider

---

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

### Standards and certifications

---

Internal frame dimensions of the Fina bed (European sizes) are in accordance with European Standard DIN EN 1334 (internal frame width = mattress nomenclature width + 0,5 cm; internal frame depth = mattress nomenclature depth + 0 cm).

### Mattresses and slats

---

Mattress is not included in the Fina bed.

Basic slats are included in the Fina bed. They come in two separate parts and are combined together in one bed frame (dimensions of each part is 1/2 bed internal frame width).
