Technical features

Frame

Fawn's light frame is fully made out of solid wood - oak. At the bottom, it has microfiber fabric and elastic webbing, for the cushions support and more comfortable seating.

Upholstery

Two material options for upholstery cushions are available: as a top grain leather or virgin wool and flax fabric mix. For further information please see Available materials and colours page in this document.

Finish

Wooden parts are available in two plant-based Hardwax oil finishes (colours), which retain the wood's natural state, as a white or natural oil.

Notes to consider

Variations

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.

Product changes

Please note that Gazzda reserves the right to alter construction and design without notice.
