Material Solid oak

Technical features

Plate

The table plate is fully made out of solid wood - oak. It has steel stiffeners at the bottom side of the plate which prevents minor changes in the dimensions of the wooden parts over time due to the hygroscopy.

Legs

Demountable legs and are also made out of solid oak. For further information please see Available materials and colors page in this document.

Finish

Available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Cleaning

Please see Product or Material page on our website.

Notes to consider

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.
