Palissade Collection New Variants

Designed by French brothers Ronan and Erwan Bouroullec, Palissade is a collection of outdoor furniture for HAY in powder coated steel. United by a common principle of symmetrical geometry, the Palissade collection is engineered to reproduce the same visual simplicity and core strength throughout.

Originally designed in a classic tone of olive green and other neutral colours, Palissade is now available in a new shade of iron red that brings a fresh slant to the existing selection. The rich colour is to integrate into most outdoor settings, bringing warmth to its surroundings while becoming more beautiful over the years. The collection is suited to a wide variety of environments, from cafés and restaurants to gardens, terraces, and balconies.
