Technical features

Plate

Leina bar table plate is made out of solid wood - oak and is connected to the leg base through metal plate stiffeners.

Legs

Bar table leg structure is made out of powder-coated (fine structure) steel rods and tubes. Plastic gliders are attached to the table legs and are suitable for most flooring options. For further information please see Available materials and colors page in this document.

Finish

The wooden seat is available in two plant-based Hardwax oil finishes (colors), which retains wood natural state, as a white or natural oil.

Cleaning

Please see Product or Material page on our website.

Notes to consider

The height of Leina bar chair - regular (73 cm seat height) fits Leina bar table and standard bar heights. Lower chair option, Leina bar chair - low (63 cm seat height), is more suitable for lunch counters.

The dimensions shown in this document are indicative, they may vary due to the natural properties of wood, season, or manufacturing processes, for these reasons deviations from the specified size may occur, usually no more than 1 cm.

Natural variations in wood color and surface may occur. Regular maintenance will ensure the wood preserves its authentic beauty and can last for generations.
