Technical Information

The essence of design was the inspiration for Temahome 2018. We accepted the challenge of distilling good design to the core and, once again, rose up to the task and took our company a step further into the future.

Design is our cause and consequence, our goal and our most intense passion. And we have put it into every page of our existence this year.

We have tread a path that feels right and we are proud to present you with a new and inspiring collection developed to the last detail by our team of expert creators.

The 2018 catalogue thus lives and breathes through its products: geometric shapes, innovative textures and carefully chosen materials, colors and patterns.

Function and aesthetics: everything matters. Everything makes a difference. We are in love with our products and we want to share them with you. Come and enjoy Temahome 2018 with us.

A essência do design foi a inspiração para a Temahome 2018. Aceitámos o desafio de destilar o bom design até ao seu elemento mais básico e, uma vez mais, ultrapassando todas e quaisquer barreiras, demos mais um passo em direção ao futuro.

O design é a nossa causa e consequência, o nosso objetivo e a nossa mais intensa paixão. E pusemo-lo em cada página da nossa existência este ano.

Desbravámos um caminho que sentimos ser o mais correto e estamos orgulhosos de apresentar uma nova e inspiradora coleção, desenvolvida de detalhe em detalhe pela nossa dedicada equipa de criadores.

O catálogo 2018 vive e respira pelos produtos que contém: formas geométricas, texturas inovadoras e materiais, cores e padrões escolhidos com o maior dos cuidados.

Função e estética: tudo é importante. Tudo faz a diferença. Estamos apaixonados pelos nossos produtos e queremos partilhá-los consigo. Venha desfrutar connosco da Temahome 2018.
